TREASURER-TAX COLLECTOR OPENS EL CAJON OFFICE

Third Branch Office Opened To Serve Residents

Bart Hartman, Treasurer-Tax Collector, announced today that he has opened a branch office in El Cajon. The office is shared with the Assessor/Recorder/County Clerk, and will provide residents the same type of personal service downtown residents have long enjoyed.

"This office will allow East County residents to conduct business with the Treasurer-Tax Collector's Office without having to drive to downtown San Diego" said Hartman. "By again co-locating with the Assessor/Recorder/County Clerk, we will make paying property taxes a lot more convenient, and provide greater service to the residents of East County."

The office is located at 198 W. Main St. in El Cajon. The Treasurer-Tax Collector will now have three branch offices, the new El Cajon office, as well as one located at 334 Via Vera Cruz, #150, San Marcos, behind Restaurant Row, and one located at 344 F Street, Suite 200 in Chula Vista. Prior to opening these offices, the Treasurer-Tax Collector was only located at the County Administration Center at 1600 Pacific Highway in downtown San Diego.

Additional information may be obtained from the Treasurer-Tax Collector's main office in the County Administration Center at 1600 Pacific Highway in downtown San Diego, the Treasurer-Tax Collector's Web site at www.sdtreastax.com or by calling (619) 236-2424.
